Friends,

We hope to carefully return to "in-person" worship on Sunday, July 12 at 10:15 AM. We'll gather outdoors on the diamond-shaped southeast lawn (outside the offices, choir room, and kitchen.) Here is the plan:

You may sit on the lawn or worship from your car by pulling into one of the spots bordering the lawn. If you plan to sit on the lawn, please bring your own lawn chairs or blankets and select a spot six feet distant from other worshippers.

If you do not have a mask or face covering, one will be provided courtesy of Ministry of Service. (Thanks to Stephanie Vrabec and her team for making high quality masks.) You may keep the mask; it is washable, so you can reuse it. You can obtain a mask when we you arrive. Masks and hand sanitizer (should you want to use) will be located on a table along the sidewalk at the edge of the lawn near the back door. Please wear the mask, even though we will be outside. Many of us in the congregation are at high risk for complicated, serious illness if we become infected with covid-19. It is up to each of us to observe every precaution against transmission. Wearing a mask on the church grounds will be a visual demonstration of our loving care for one another.

Prepare yourself for our worship to feel different. It will probably be quieter. We'll have music but not group singing. We won't get up to pass the peace or send around plates to collect the offering. Worship always adapts to fit contemporary circumstances. These adjustments represent our best effort to act faithfully now, during the pandemic; they are temporary, not permanent.

Please plan NOT to enter the building. Take Mom and Dad's advice, just like in the old days when they said, "Use the bathroom now, while we are still at home, before we set off on the long drive to Grandma and Grandpa's house in Cleveland." If you think you'll get hot or thirsty, bring your drinks with you. Please dress for the weather, too. Shorts, sandals, and hats are perfectly acceptable attire for all.

There will not be fellowship hour for the foreseeable future. It is too risky to crowd around tables and eat finger food from a common plate.

We will treat inclement weather like a snow day. If it is raining, we will suspend outdoor worship and Spencer and I, plus whoever may be assisting in the service, will live-stream morning worship from the sanctuary.

If you have ideas, questions, concerns, or something you would like to contribute to outdoor worship, please do...
We would like to wish all a happy birthday or anniversary. If your birthday or anniversary was omitted or you would rather not have it published, please contact the church office.

in time with hope,
Pastor Dave
Happy July! It has been a very strange spring and I
miss seeing you all in church. I hope you enjoyed
the sacred music videos and our live worship
service. We are looking forward to starting outdoor
worship and having you join us. Keep being safe and healthy and I will
see you soon!

PANTRY SUNDAY
LET'S MAKE A DIFFERENCE!
Free lunches are available at the Fox Valley Community
Table (200 N Commercial St Neenah) Tuesdays and
Saturdays from 11:30am -12:30pm in the church parking
lot. Thank you to the private donor who makes this possible.
Our Next Community Table is Aug 18th. Stay tuned for more information.
If anyone still wants to help the mission of the FVCT, St Paul's has
graciously allowed us to fill the "Blessing Box", which is located on 200 N
Commercial Street, right in front of the church. You are welcome to put
any non-perishable items into the box you might like, keeping in mind
there is no temperature control.

STARTING IN PERSON WORSHIP SERVICES
OUT ON THE LAWN

We'll gather outdoors on the diamond-shaped southeast lawn
(outside the offices, choir room, and kitchen).

July 12th at 10:15 am

Here is how you can participate in worship:

1. Bring your own chairs or blankets and sit at least 6 feet away from your neighbor or
2. Sit in your car bordering the lawn.

Everyone will need to wear a mask or we will provide one for you. You will need to wear a mask the whole time you are on church grounds. If you take home a mask that we provide, it is washable and you can use it for next time. There will also be hand sanitizer available. Wearing a mask on the church grounds will be a visual demonstration of our loving care for one another.

Please do not enter the church while you are there. Bring your own refreshments. It is too risky to crowd around tables and eat finger food from a common plate.

Service will still be live on Facebook at 10:15 am and will be posted on the website.

We will treat inclement weather like a snow day. If it is raining, we will suspend outdoor worship and Spencer and I, plus whoever may be assisting in the service, will live-stream morning worship from the sanctuary.

VOLUNTEER OPPORTUNITIES

During the pandemic and need for social distancing, CUCCNM Ministry of Service will not be rescheduling Service Sunday for this summer. The Ministry encourages all members to consider helping the Fox Cities community with COVID 19 Critical Volunteer Needs, organized by United Way - Volunteerfoxcities.org

The following link lists organizations that need help at this time. Full description of volunteer opportunities and the contact info is provided.

TALKING TO YOUR KIDS ABOUT RACIAL JUSTICE

The following links are those that were shared with me through a UCC Faith Formation group. Since we cannot meet in person, we thought it would be nice to share this information and families can do what they wish with it. Once Sunday School resumes, these may be some of the topics in Middle School and High School. Please feel free to reach out to Alanna Smith with questions or concerns.

RECOMMENDATIONS AND REMINDERS:

• an important reminder regarding "diversity in racial discussions" - it is often safer for groups of historically marginalized individuals to be in small groups themselves. We have to exhibit extreme care when only 1 person of color or 1 LGBTQ+ person/youth is in small group. It should never be the work of those individuals to teach or support the learning of those in the majority.
**Vacation Bible School**

It is with a heavy heart that Ministry of Faith Development along with the VBS sub committee (made up of CUCCNM & First Pres) have decided to not host VBS this year. This decision was not made lightly. We had a long conversation about other options, but in the end decided not hosting VBS at all was the best way to go. The following sums up our decision making.

We reached this decision for several reasons:
1. The church has a limit of 10 people gathering in the church.
2. We would not be able to sing, play games or help the kids with science or craft.
3. Outdoors would be a challenge because you never know what the weather will be and you still need to keep the kids 6 feet apart. We still can’t sing, play games or help kids with craft or science.
4. We cannot assist on bathroom needs.

We discussed 3 different Virtual VBS options as well, but ultimately decided against it as well due to the following reasons.
- The theology didn’t match ours well enough and we don’t want to send the wrong message.
- The VBS that matched our theology better was a lot of work on the parents. Also, it was not engaging to the kids.
- Any virtual VBS would include some screen time. When it comes right down to it, kids are tired of getting instructions from the computer!

The magic of VBS is being together. There is this awesome feeling that we all (kids and adults alike) get when we are in the midst of VBS. It is what brings us together every year (even though it is a lot of work and takes a lot of our time). This would be lost in a virtual VBS or Take Out VBS.

**WE WILL MISS YOU!**

**What to Do with the Kids During This Unusual Time?**

1. Break into the Take Out Church boxes that are delivered weekly to your home.
2. Take Out Church will be delivered every 2 weeks throughout summer until we can join together as a group.
3. Chalk you Walk; write some happy or inspirational messages in chalk on your driveway, sidewalk, local park trail, etc, to help put a smile on those who walk by.
4. Dinner questions or bedtime questions:
   - Where did you see God today?
   - What was your high for the day?
   - What was your low for the day?
5. Ask God to help with our lows and praise God for our highs.
6. Take a look at this website, there are some great ways to help your kids through this challenging time, and beyond. [https://faithink.com/the-faith5-steps](https://faithink.com/the-faith5-steps)

**Socially Distance Socials (SDS)**

Our ministry, along with the VBS sub ministry is trying to set up some Socially Distance Socials. Please keep an eye out for email and our Face Book page for these fun events.

**Sunday School Teachers are Needed for next school year!!**

Do you enjoy spending time with kids? Would like to be a part of our youth’s education?

Our two PreK-1st grade teachers are moving on to college and will not be available to teach. We are looking for 3 or more people to fill their shoes. If you like hearing the laughter of children and would like to teach God’s love, please talk to Bridget Balogh or Alanna Smith today! ce@cuccnm.org

**Camp Scholarship Silent Auction!**

The Silent Auction is up and ready for bidding. We will keep the Silent Auction up until further notice. At this time all camps at Pilgrim Center (youth camp) and Moon Beach camps (Camp AweSum and family camps) have been cancelled. Thank you all for your support with Camp Scholarships!

**Confirmation Class**

**July 2nd:** No class, happy 4th of July!

**July 9th:** 6:00 pm at church (bring a lawn chair and a mask) Mentors will be with us.

**July 16th:** 3:00 via Zoom

**July 23rd:** 3:00 via Zoom

**July 30th:** 6:00 pm at church (bring a lawn chair and a mask)
CHAPEL, W. HALLWAY, AND ROOM 4: Alanna Smith and the Ministry of Faith Development initiated action in January to make Room 7 (the chapel) more kid friendly and a gathering place for our teens. The room was painted, received new laminate flooring, and refitted with some game equipment and sofas. It will also serve as a classroom and confirmation discussion area. That redecorating carried into the west hall area which got a new coat of paint and a new laminate floor. We thank Erv Wegner for taking care of the painting costs. Room 4, a Lake Edge classroom, required a floor replacement which was also done in laminate. Dan Jischke was hired to lay the flooring in all areas.

GROUNDS - LE PLAYGROUND TRACK: Nov 2019 brought an unexpected early snow fall and frost which left many residents with leaves not picked up. A final cleanup of the woods/labyrinth area was delayed until spring. Because of the virus, it was not possible to do a group work day with members and the Scouts. Requests for individual help via Glad Tidings and weekly emails, did not bring results. Erv did most of the spring work over several weeks along with some help from Alan Gear and Don Kleist. Three very windy storms increased the tree debris. In May and June, John and Tiffany Williams and Sue Dollhopf assisted with picking up debris before lawn mowing. The roof and gutters were also blown by Erv and that continues periodically during the year. Later in May, Erv recruited 7 neighbors, Peter Jones and 6 members from the Hein Family, to help resurface the LE track with 10 tons of stone screenings he purchased.

HANDICAPPED RAMP AND HANDICAPPED RESTROOM: From March into April, Dan Jischke was hired to design and build a ramp for handicapped access to the Altar area. He also converted the Pastor’s restroom into an approved Restroom for the Handicapped. During the pandemic that and the bathroom by the kitchen are the only restrooms for use by the congregation. The other restrooms are to be used only by Lake Edge during this pandemic time.

SOUND SYSTEM: In May, Kevin Katzman spent several days with Heartland Building Systems in the conversion of our sound system to a digital platform. Kevin Shumann also helped him with some electrical updating. Look forward to improved sound when it is safe to use the sanctuary for worship. The wireless mics and soundboard were donated to a third world country. They will be able to use the equipment since they do not need to worry about frequency issues.

ROOM 3 EMERGENCY EXIT: Dan Jischke is now working on converting a window in LE Rm 3 to a space to receive an exit door being built by Packerland Glass. The door is needed to meet state specs for child care.

PARKING LOT: Our parking lot has just received repairs, resealing, and stripes. The last time that was done was in 2015.

3 WAYS TO SEND IN YOUR PLEDGE OR CONTRIBUTION TO THE CHURCH:

1. Yes, the "Donate" button on the website goes through your credit card or PayPal. PayPal charges 2.2% plus $.30 a transaction. Credit cards vary in charges depending on what kind they use. If you feel the church should not absorb this cost, simply add the fee to your amount being sent to cover the fee.

2. To have the bank send a check you need to go to your bank website and set up a payment. You can do a onetime payment or reoccurring. These checks will go directly to the Church (Congregational UCC, 1511 Nicolet Blvd, Neenah, WI 54956). The church does not use a form for withdrawing, but rather individuals work with their bank to "push" a payment to the church.

3. You can mail the check yourself directly to the church.

Thank you to all of you that have already sent in your pledges. Now more than ever, we have witnessed that the church is not just the building in which we gather on Sunday morning, but the church is the people who are called to Christ’s mission in the world!

NEW TAX BREAK FOR CHARITABLE GIVERS:
The CARE Act of 2020 gives each taxpayer an additional $300 tax deduction for charitable donations even if they use the Standard Deduction (do not itemize) for 2020. It is another way to give a little extra boost to your giving to CUCCNM in addition to your regular donations or giving from your IRA and experience additional tax savings.

As I write this, I am happily anticipating getting together with our new Council. When you read this, we will have been off and running with our first meeting. You will find the members listed in this Glad Tidings. I am also looking forward to perhaps seeing some of you in person in July as we continue to work on slowly but surely safely opening church services in person..

Dear Friends,

Hello from Wisconsin! At the end of March, Dad picked me up from St. Louis and brought me home for what we thought would be about six weeks. As I write this, we are closing in on over four months and counting! I’m thankful to my family for being there and supporting me both physically and emotionally as I finished up a difficult semester online, in the midst of continued work obligations for Kirkwood United Methodist Church as its Children’s Minister. I took courses on Latin American Biblical interpretation, how Jesus is understood in different cultures around the world, and educational ministry. The professors at Eden did an excellent job transitioning to online learning within a week of announcing it, with no existing online infrastructure at that point! We were all learning together in many ways.

In the fall, we will stay the course with online learning being the primary mode of instruction, with the campus prepared to “pivot” to in-person classes at any point. I will be returning to St. Louis at the end of the summer, however, because I have a new internship this year! I will be the student pastor at Peace United Church of Christ in Webster Groves, down the street from the seminary! There I will be preaching, serving on the worship team, providing congregational care and music leadership. I’m so excited for this new opportunity! This kind of work aligns the most closely to where I feel God is calling me in my vocation, even though children’s and youth formation is so important to me and it will absolutely impact how I pastor. They are a church about our size, and as close to our theology and practice at CUCCNM as I have found in the St. Louis area. They are currently reopening the sanctuary to have a total of 10 people (including the 3-person worship leadership team) while online worship is recorded and uploaded, being mindful of social distancing and avoiding church activities which could spread the virus, such as congregational singing or passing the offering plate. When I start with them in September, my hope is that some of those restrictions might begin to ease, and I can meet more people in person.

This fall, I signed up for three courses—one course on the Psalms taught by a faculty member who writes commentaries and other resources for pastors to use when they preach on the Psalms. The same professor will also teach a course called “Greening the Bible”, which teaches how to read the Bible with an eye towards stewardship of the environment. Finally, I’m taking a course on Early Christian Encounters with Islam, which satisfies an Eden requirement for an interfaith course experience.

I am so thankful for your prayers and support! I look forward to being with you when we gather for outdoor worship this summer!

With love and prayers,
Jacob Nault

NATIONAL YOUTH EVENT

NYE is for middle school-high school youth. Due to the unforeseeable impact of COVID19 on the health, social, and physical distancing behaviors of the world, National Youth Event (NYE) at Purdue University is postponed until June 27-30, 2022. Registration for this event is suspended indefinitely.

We are disappointed but not discouraged, and we have been hard at work to offer meaningful and faithful virtual gatherings this summer. We recognize this is not the same but nothing is the same. We look forward to welcoming all seniors for whom this may have been your last NYE to join us virtually and in 2022 as youth ambassadors.

Online NYE will be July 24th-25th, more details coming soon. Watch your emails.
